

CHILD RELEASE WAIVER

Safety of your child is our number one priority. CEOs of Tomorrow conducts a sign-in and sign-out procedure with all children participating in the *Business of Giving Summer Bootcamp* in order to ensure, to the extent reasonably possible, that all children have a safe and secure experience. Adults authorized by each parent/guardian are expected to sign-out and return children from the camp to their homes.

I am requesting that my child be released from the *Business of Giving Summer Bootcamp* without adult supervision and be allowed to travel to his/her destination (whether by walking, biking or other) on his/her own. I understand that CEOs of Tomorrow and/or its staff cannot be responsible for my child's care or safety once he/she leaves the camp program site. I also understand that CEOs of Tomorrow has not investigated or made any evaluation of the circumstances regarding the reasonableness of my plan for my child reaching his/her destination, including among others my child's maturity and the location of his/her destination in relation to the camp location.

I request that my child be released on his/her own responsibility at the end of the regular camp or extended care day. I understand the risks and agree to indemnify and hold CEOs of Tomorrow harmless from any and all responsibility and liability for my child after his/her departure from *Business of Giving Summer Bootcamp*.
